

An abstract painting by Franz Ackermann, featuring a vibrant and complex composition. The background is a bright yellow, overlaid with large, bold, and somewhat chaotic shapes in blue, green, red, and purple. In the upper left, there are diagonal stripes of red, green, and purple. A dark, horizontal, branch-like shape extends across the middle. In the lower right, there's a rectangular inset showing a more detailed, textured scene with a red and yellow sun-like shape and a blue and green landscape. The overall style is expressive and modern, with a focus on color and form.

Franz Ackermann

Neumarkt St. Veit, Germany, 1963

Usando uma paleta de tons fluorescentes, Franz Ackermann pinta a partir de mapas de rua, fachadas e paisagens de suas peregrinações pelo globo com elementos abstratos que desestabilizam o olhar e imprime velocidade vertiginosa às obras. Pinturas e desenhos extrapolam os suportes tradicionais, incorporando fotografias, objetos e estruturas de madeira e aço. Em amplos painéis de colorido vibrante, Ackermann parece incorporar a escala dos anúncios publicitários e da comunicação de massas.

Using a fluorescent color palette, Franz Ackermann combines street maps, facades and landscapes from his wandering around the globe with abstract elements that destabilize the gaze and give the works a vertiginous velocity. Paintings and drawings exceed the traditional supports, embodying photographs, objects, wood and steel structures. In ample, vividly colored panels, Ackermann seems to incorporate the scale of advertisements and mass communications.
